AGENDA ITEM 1

ISSUE: TITLE IX REGULATIONS – ALL

ACTION PROPOSED:

President Harroz recommends the Board of Regents approve the following actions:

I. Authorize the University President to develop and approve revisions to the University’s current Sexual Misconduct, Discrimination, and Harassment Policy, to take effect on August 14, 2020;

II. Authorize the University President to develop and approve revisions to the Student Code of Rights and Responsibilities, Norman/HSC Faculty Handbook(s), and/or Staff Handbook to take effect August 14, 2020; and

III. Authorize the University President to adopt other interim policies, revoke/rescind policies, enter into contracts, and employ or reassign personnel as may be reasonably necessary to timely comply with the United States Department of Education’s Final Rule (as published in the Federal Register on May 19, 2020) governing the response by higher education institutions to incidents of sexual harassment.

BACKGROUND AND/OR RATIONALE:

In May 2020, the U.S. Department of Education, Office of Civil Rights, issued a final rule relating to sexual misconduct in K-12 and post-secondary educational environments, with an effective date of August 14, 2020. The most significant components of the proposed rule:

• Establish a new definition of sexual harassment;
• Draw a distinction between formal complaints and other reports; and
• Impose specific procedural requirements for grievances.

The University currently provides supportive measures to reporting parties and also complies with many of the due process protections for respondents set forth in the Final Rule, but revision of existing policies and procedures is necessary to clarify points raised by the new rule and achieve full compliance.

A multi-campus working group comprised of Institutional Equity, Student Affairs, Provosts’ Offices, Diversity, Equity & Inclusion, Human Resources, and Legal Counsel has been meeting multiple times per week to review the regulation, develop administrative recommendations, and identify required policy and procedural modifications needed to achieve timely implementation of the new requirements. Specifically, focus input groups have been held for students, faculty, and staff on all three campuses. The working group is nearing completion of its work and will soon make recommendations to senior administration.

Because the effective date of the Final Rule is before the next regularly scheduled Board of Regents’ meeting, an exception to normal Board review and approval processes is requested. Final implemented changes will be presented to the Board’s Administration and Operations Committee for information prior to the next regularly scheduled Board meeting.
AGENDA ITEM 2

ISSUE: SELECTION OF ON-CALL OUTSIDE COUNSEL – ALL

ACTION PROPOSED:

President Harroz and the General Counsel recommend the Board of Regents:

I. Authorize the selection of the law firms presented below to provide on-call legal services in specialty areas routinely required for the Norman, Oklahoma City and Tulsa campuses of the University of Oklahoma for a one-year period with option to renew for four additional one-year periods;

II. Authorize the General Counsel, with the approval and concurrence of the President and Chair of the Board, to engage with other legal firms in specialty areas not routinely utilized on an as-needed basis; and

III. Authorize the General Counsel to execute the engagement letters as may be required.

BACKGROUND AND/OR RATIONALE:

The University utilizes the services of external law firms to provide services in specialized areas or in areas where additional resources are needed to supplement those available in-house. For example, one current need for specialized legal services involves the integration of aspects of the Health Sciences Center with the University’s hospital partner; Legal Counsel intends to engage the Polsinelli law firm to assist with this project due to its unique expertise in this area. Engagements of legal services are coordinated exclusively through the Office of Legal Counsel. In order to (1) effectuate timely engagement of counsel as needs arise, (2) ensure competitive pricing for services, and (3) ensure transparency in counsel selection, the establishment of an on-call roster of pre-established, qualified firms is proposed.

The Office of Legal Counsel worked with the Purchasing Department to solicit the submission of qualifications in nine areas of expertise during the months of February and March 2020. Submissions were received from 9 law firms in the area of employee benefits; 15 firms in the area of general litigation; 13 firms in the area of intellectual property; 4 firms in the area of medical malpractice defense; 12 firms in the area of oil and gas; 13 firms in the area of real estate; 12 firms in the area of securities litigation; 10 firms in the area of taxation; and 7 firms in the area of workers compensation. A maximum of five (5) firms are selected in each area, except intellectual property, which required an additional selection due to specialized technical expertise. Criteria used for selection included (1) demonstrated expertise in subject area, (2) familiarity with nuances attendant to higher education and state entities, (3) prior experience representing the University, and (4) competitive pricing.

Any fees expended will be reported to the Board in accordance with established financial reporting Board policies.

AGENDA ITEM 3

ISSUE: STUDENT HEALTH INSURANCE – ALL

ACTION PROPOSED:

President Harroz recommends the Board of Regents approve Student Health Insurance rate renewals for all campuses and a Student Health Insurance premium increase for the Health Sciences Center:

BACKGROUND AND/OR RATIONALE:

In mid-February 2020, OU Human Resources in conjunction with student health consultant, Rogers Consulting Group, LLC, began the renewal process for the student health insurance plan. It was determined that no plan design changes would be made. The plan carrier, Blue Cross Blue Shield - Academic Blue, would also remain the same for the 2020-2021 academic year.

In academic year 2020-2021, total premium costs for the student health insurance plan on the Norman campus will remain unchanged. The rates for the Health Sciences Center will experience a 10% increase over the Spring 2020 rates due to claims experience. The Health Sciences Center student health plan rates are reviewed and adjusted each semester. Please find a summary of the proposed 2020-2021 Norman Campus rates below. The first table shows the rates for domestic, international, and graduate assistant students at the Norman campus. The second table shows the rates for students attending the Center for English as a Second Language (CESL) also on the Norman campus. The third table shows the rates for students at the Health Sciences Center campus. Health insurance coverage is a mandate per Regents policy through the Student Health Plan or a qualified plan at the Health Sciences Center.

ISSUE: CONSOLIDATED BUDGET AND PLANNING SOFTWARE SOLUTION – ALL

ACTION PROPOSED:

President Harroz recommends the Board of Regents authorize the President or his designee to award contracts in an overall five-year amount of $2,917,771, the best value bid, to Workday, Inc. of Pleasanton, California, for software subscription licensing, and Deloitte of New York, New York, for implementation services of the Workday Adaptive Planning solution integrated into the University’s consolidated Enterprise Resource Planning (ERP) systems supporting all campuses.

BACKGROUND AND/OR RATIONALE:

The University currently lacks an integrated budget and planning system. This proposed item selects a software solution with corresponding consulting and implementation services to provide a comprehensive and integrated budget and planning tool for all campuses. The solution will work in conjunction with the newly consolidated Peoplesoft Financials, Human Resources and campus-specific student ERP systems to better monitor, manage and report the financial operations of the University.

The University issued a competitive solicitation to ensure the most competitive pricing available. The following firms responded:

The evaluation committee comprised the following individuals:

Dean Coffman, IT Architect, Information Technology
Colin Fonda, Associate Director for Human Resources
Lindsey Loveday, Assistant Controller
Heather Markgraf, Senior Budget Analyst
Nicole McPhetridge, Associate Budget Director
Bart Mercer, Budget Director
Amy Redden, IT Analyst II, Information Technology

The evaluation criteria were: pricing for system and implementation, proposal and solution quality for system and implementation, and suitability for requirements.
The proposals submitted by EPMI and Prophix were deemed unresponsive and eliminated. The results of the evaluation of the responsive proposals were as follows:

The evaluation team determined that award to Deloitte/Workday, of New York, New York/Pleasanton, California, met the requirements of the RFP and represents the best overall value to the University.

Funding has been identified, is available and set aside within the budget.
AGENDA ITEM 5

ISSUE: TRADEMARK LICENSING AGENCY AGREEMENT FOR THE UNIVERSITY OF OKLAHOMA - ALL

ACTION PROPOSED:

President Harroz recommends the Board of Regents:

I. Approve an extension of the agreement with the Collegiate Licensing Company of Atlanta, Georgia, from the end of the current term on June 30, 2020, for an additional 10 years through June 30, 2030 with appropriate Changed Circumstance language for term modification; and

II. Authorize the President or the Athletic Director with the assistance of the Office of the General Counsel to negotiate and execute the final terms of the agreement to include terms and conditions customary and reasonable for agreement of this type.

BACKGROUND AND/OR RATIONALE:

The University currently has an agreement with the Collegiate Licensing Company (CLC) to serve as the University’s exclusive agent to license the use of University-owned trademarks and indicia in connection with the marketing of various articles of merchandise. The current agreement expires July 1, 2020. The contractual relationship has been extended four time previously. CLC has proposed terms for an extension and renewal through June 30, 2030 with Changed Circumstances provisions that allow for earlier termination or modification including changes in opportunities for the University.

During the good faith negotiations and due diligence by the Trademark Advisory Committee and Athletic Department in review of the proposal for an extension of the term, it was determined that the best interests of the University are served by an extension of the agreement with CLC for an additional ten years through June 30, 2030, rather than participating in a multi-party bid process. The agreement would permit early review and termination for changed circumstances including if the NCAA and/or Big 12 Conference (or any subsequent association or conference) adopts new rules or enters into any agreement that presents the University with and the University accepts the opportunity to participate in any agreement which materially changes the rights granted under this Agreement, or exploits rights under any related agreement.

Under the proposed terms and conditions of the extension and based on current licensing royalty revenues, the University’s licensing program for Primary Apparel through CLC’s agreement with Top of the World will have a net growth in the primary apparel category alone of over $95,000 annually; $950,000 over the term of the agreement. Additional licensing revenues based on the new fee structure alone with CLC will increase by approximately $37,500 annually and $375,000 over the term of the agreement based on 2019 revenues without any increases in revenues. Additionally, CLC is providing the University a signing bonus of $300,000 as an upfront payment unrelated to future royalties. CLC is also waiving it’s contractual share of the TOW Primary Apparel License signing bonus which amounts to $225,000 to which CLC is contractually entitled. This annual average additional financial consideration, the signing
bonuses independent of future royalties, and terms of the extension may not be realized in a multi-party bid process and are in the best interest of the University based on recent due diligence and review of similar agreements at other institutions.

It is requested that the President or Athletic Director with the assistance of the Office of the General Counsel is authorized to negotiate and execute the final terms of the extension agreement consistent with the above terms to include terms and conditions customary and reasonable for agreements of this type.

AGENDA ITEM 6

ISSUE: APPROVAL OF STRATEGIC PLAN - NC

ACTION PROPOSED:

President Harroz recommends the Board of Regents approve the University’s Strategic Plan for the Norman Campus as it has been presented.

BACKGROUND AND/OR RATIONALE:

In at least the last 25 years, the University has not issued a clear strategy for the future. With the fundamental disruption that has occurred and will certainly continue along with the pressures of the current pandemic, it is not feasible to succeed without a plan for the future. Therefore, the Board of Regents and President Harroz initiated a comprehensive and inclusive process to create a new Strategic Plan for the University.

This extraordinarily complex task required great effort from many people. A core team of five executive leaders committed twice-weekly meetings to the strategic planning process over the last year. This group shared ideas and concepts with the University’s 18-person executive leadership team, holding feedback and strategy sessions with that group during weekly meetings. The President’s Academic Planning and Budget Advisory Committee’s 11-member group, cochaired by Provost Kyle Harper and School of Music faculty member Dr. Sarah Ellis, representing faculty of varying ranks and multiple disciplines, worked on the plan and interacted with campus stakeholders, including the leadership of faculty, students, and staff. The Norman Deans’ Council has provided critical feedback throughout the entire process. A survey of OU community members from all constituencies yielded more than 5,000 responses. Six town hall meetings were hosted by executive leadership and Provost Harper across all three campuses to solicit feedback. Final input on a draft of the plan was sought from executive leadership, the Deans’ Council, student leadership, and the Executive Committees of the Faculty and Staff Senates. The Board of Regents and incoming Deans commented and provided input on the draft, to revise, refine, and provide a higher degree of clarity, preparing the University to move forward.
AGENDA ITEM 7

ISSUE: REVISIONS TO BOARD BYLAWS – ALL

ACTION PROPOSED:

The Board Chair recommends the Board of Regents approve revisions to the Bylaws of the Board of Regents, as reflected in the attachment.

BACKGROUND AND/OR RATIONALE:

The Board of Regents Bylaws were last revised in 2017. In recognition of evolving institutional strategic priorities and to more closely align the University with peer institution models of governance, which generally reflect a subject matter oversight approach rather geographically specific, the attached revisions are proposed. Proposed changes are intended to:

- Update Board’s standing committees;
- Formalize Board Member conflict of interest policies;
- Provide protocol for business arising between meetings;
- Clarify ambiguous provisions; and
- Correct typographical errors (e.g. pronouns, numbering, formatting).

The proposed changes were circulated to the Board for review in accordance with the timeframes as required under current operative Bylaws.

In accordance with Article 13, § 8 of the Oklahoma Constitution, the Board shall consist of seven members to be appointed by the Governor by and with the advice and consent of the Senate and each Regent shall serve a seven year term staggered such that one Regent’s term shall expire each year.

Section 6. Vacancies
Vacancies: Per Oklahoma statute, vacancies on the Board shall be filled by the Governor, for the unexpired term, by and with the advice and consent of the Senate. The Board reserves the unrestricted right to accept or deny any such request for review and if accepted, determine, at its sole discretion, the form and procedure for the review as it deems appropriate. Provided, nothing herein shall be construed to condition or limit the Board’s authority to review any matter relating to governance of the Universities.

Section 10. Suspension of Bylaws

Any provision of these Bylaws may be suspended in connection with the consideration of a matter before the Board by an affirmative vote of a majority of the Board.

Section 11. Compensation

Members of the Board serve without compensation, but shall be allowed necessary travel and other expenses in conjunction with official duties as may be approved by the Board pursuant to applicable laws of the State of Oklahoma.

Section 12. Employment

No member of the Board shall be employed directly or indirectly upon any work to be performed in connection with any University under its jurisdiction nor enter into any contract or business transaction involving a financial consideration therewith.

Section 13. Doing Business with Universities Arising Between Meetings

When an independent observer might reasonably question whether members are using their official positions to further their own financial or personal interests or such interests of members of their family (as used herein, “family” shall be construed as relatives by affinity or consanguinity within the first degree), an apparent conflict of interest exists. An institutional conflict occurs when a member and/or his or her family has a Material Financial Interest in an entity doing business with the University such that their private financial and/or personal interests, activities, or relationships affect, could foreseeably affect, or could reasonably appear to affect, the proper conduct, review or oversight of the University’s research or operations.

(b) If a disclosed conflict is deemed manageable, members shall observe the terms and conditions of any management plan approved by the Chair with concurrence of the General Counsel.

(c) If a disclosed conflict is deemed unmanageable, conflicted members shall recuse themselves from discussion and consideration of the matter in any meeting, which action shall be recorded in the minutes of the meeting.

Section 4. Business Relationship
No member of the Board or a member of his or her family shall, directly or indirectly, enter into a business transaction or contract or have a business relationship with any University under the Board’s jurisdiction. Further, any business, company, or entity in which a Board member or a member of his or her family serves, directly or indirectly, in an executive or policy-making position shall be barred from entering into a business transaction or contract or have a business relationship with the Board or any University under the Board’s jurisdiction. Provided however, subject to a rigorous examination of the risks and costs accompanying the conflict and carefully defined conditions that assure both propriety and the appearance of propriety, if it would bring a compelling benefit to the university the Board may waive the business relationship conflict by an affirmative vote of five, non-conflicted members at a regular or special meeting of the Board. For each such conflicted transaction approved by the Board, the reasons for approval and the compelling benefit to the institution shall be recorded in the minutes of the meeting.

Section 5. Protected Information
Except as required by law, members shall not, without proper Board authorization, give or release University information or data of a confidential, proprietary, or privileged nature, nor use such information to gain personal

advantage or avoid personal disadvantage, insofar as such information is not in the public domain. This rule applies to members during and after their service as members of the Board relative to such protected information acquired in the course of their Board appointment.

ARTICLE 6. PARLIAMENTARY PROCEDURES

Section 1. Parliamentary Rules

**ARTICLE 67. MISCELLANY**

Section 1. **Direct Reporting**

Those offices include, without limitation, University Presidents, Executive Secretary to the Board, the internal auditor, and the general counsel. The Board shall annually consider the performance, selection, evaluation, compensation and removal of employees who report directly to the Board.

**ARTICLE 68. AMENDMENTS**

Section 1. **Procedure**

These Bylaws may be amended at any regular meeting of the Board by affirmative vote of record of a majority of all members of the Board constituting it by Oklahoma law; provided that unless the Board has suspended these Bylaws pursuant to Article 1, Section 10 herein, copies of such amendments shall be submitted in writing and furnished each member not less than fifteen days preceding the meeting at which such amendment is voted upon.

Section 2. **Revisions and Reissues**

AGENDA ITEM 8

ISSUE: CHANGES TO GENERAL EDUCATION REQUIREMENTS – NC

ACTION PROPOSED:

President Harroz recommends the Board of Regents approve the proposed changes to the University’s General Education requirements.

BACKGROUND AND/OR RATIONALE:

Oklahoma State Regents of Higher Education (OSRHE) Academic Affairs Policy 3.15 stipulates undergraduate degree requirements, including the standards for general education, defined in this policy as “a standard curriculum required in all undergraduate programs. The general education curriculum provides broad exposure to multiple disciplines and emphasizes the learning of facts, values, understandings, skills, attitudes, and appreciations believed to be meaningful concerns that are common to all students by virtue of their involvement as human beings living in a global society.”

The policy requires the completion of a basic general education core of a minimum of 40 semester credit hours. An institution may determine the content and distribution of courses within the bounds of guidelines of this policy and may adopt additional requirements. Such additional degree requirements must be approved by the State Regents and published in the official catalog of the institution.

The University administration desires to modify the University’s requirements for General Education in order to implement a mandatory Diversity, Equity, and Inclusion course across the curriculum by Fall 2021.

In generating a proposal, the administration sought a solution that would limit the impact of the change in the General Education requirements on any one unit or discipline and that could be implemented without increasing the total number of hours of any degree program. The recommended changes are the result of work and examination by the Diversity, Equity and Inclusion Implementation Taskforce. They have been reviewed by the Faculty Senate Executive Committee, PACGEO, and the Academic Programs Council and approved by the Provost.

Substantive Changes
1. Remove Capstone from the General Education (Core V in current policy).
2. Add the Diversity, Equity and Inclusion course to General Education requirements as an independent Core category (new Core V in the proposed policy).

Non-substantive Changes
1. Change Core IV from Humanities to Arts and Humanities
2. Change Foreign Language to Language
3. Change Non-western Culture to World Culture
4. Change Western Civilization and Culture to Western Culture

The proposed general education policy is reproduced below.
PROPOSED GENERAL EDUCATION POLICY

GENERAL EDUCATION REQUIREMENTS

A minimum of 40 credit hours of general education courses is required for graduation. Some colleges or majors require students to complete additional hours of general education coursework or to take specific courses to fulfill general education requirements. The list of courses approved for general education credit is available in the Gen Ed Planner. Courses must be distributed among the following areas:

I. SYMBOLIC AND ORAL COMMUNICATION (3-6 courses, 9-22 hours)
   A. English Composition (2 courses, 6 hours).
   B. Language (2 courses, 6-10 hours). This requirement can be satisfied by successfully completing two semesters of the same language at the college level equivalent to two semesters at OU. It also may be satisfied by successfully completing two years of the same language in high school or by demonstrating an equivalent level of competence on an assessment test. (Note: The Gaylord College of Journalism and Mass Communication, College of Arts and Sciences, and the College of International Studies require students to complete three semesters of college-level language or pass an assessment test. The College of Arts & Sciences and College of International Studies requirement cannot be met by high school coursework. Some majors require a fourth semester of language.)
   C. Mathematics (1 course, 3 hours).
   D. Other. Courses in this category are not required, but may be used when additional credit hours are needed to bring the total hours completed to 40. Approved courses in this area include communication, logic and public speaking.

II. NATURAL SCIENCE (2 courses, 7-8 hours)
   At least two courses of three or more credit hours each and totaling a minimum of seven credit hours are required. The courses must be from different disciplines, and at least one course must include a laboratory component, denoted by [L] in the list of general education courses. (Note: The College of Arts and Sciences requires its students to complete one course in the Biological Sciences and one course in the Physical Sciences.)

III. SOCIAL SCIENCE (2 courses, 6 hours)
   One course must be Political Science 1113, “American Federal Government” (3 hours)

IV. ARTS & HUMANITIES (4 courses, 12 hours)
   A. Artistic Forms (1 course, 3 hours)
   B. Western Culture (2 courses, 6 hours). One course must be History 1483, “United States 1492-1865,” or History 1493, “United States 1865 to Present.” The other course may not be History 1483 or History 1493.
   C. World Culture (1 course, 3 hours)
Note: The Gaylord College of Journalism and Mass Communication, College of Arts and Sciences, and College of International Studies require additional upper-division Humanities courses outside the major (2 courses, 6 hours).

V. DIVERSITY, EQUITY, AND INCLUSION (1 course, 3 hours)

VI. UPPER-DIVISION REQUIREMENT
At least one of the courses (minimum of 3 hours) used to satisfy the general education requirements must be at the upper-division level and outside of the student’s major.
AGENDA ITEM 9

ISSUE:  STUDENT ACTIVITY FEE RATE FOR ACADEMIC YEAR 2022 – NC & LAW

ACTION PROPOSED:

President Harroz recommends the Board of Regents approve the proposed annual increase to the Student Activity Fee for Fiscal Year 2022 (July 2021 – June 2022).

BACKGROUND AND/OR RATIONALE:

House Bill No. 1748 amended 70 O.S Section 3218.8, authorizing the Oklahoma State Regents for Higher Education to establish resident tuition rates, nonresident tuition rates and mandatory fees (fees for items not covered by tuition and which all, or substantially all, students must pay as a condition of enrollment). At the comprehensive universities, the combined average of the resident tuition and mandatory fees, as determined by the State Regents, shall remain less than the combined average of the resident tuition and fees at state-supported institutions of higher education that were members of the Big Twelve Conference as of March 28, 2003, the effective date of HB 1748. The rates are to remain less than the combined average of tuition and fees for all like-type graduate and professional courses and programs of comparable quality and standing at state-supported institutions of higher education as determined by the State Regents.

In its deliberation on the establishment of resident tuition rates for undergraduate and graduate education, the State Regents shall balance the affordability of public higher education with provision of available, diverse, and high-quality opportunities giving consideration to the level of state appropriations, the state economy, the per capita income and cost of living, the college-going and college-retention rates, and the availability of financial aid in Oklahoma. For any increase in the tuition rates, the State Regents shall demonstrate a reasonable effort to affect a proportionate increase in the availability of need-based student financial aid.

NORMAN CAMPUS AND LAW

The University is requesting an increase to the mandatory fee rate listed below for undergraduate, graduate, and law students geographically located on the Norman campus.

The University assesses the Student Activity Fee in order to support the mission of the institution outside the classroom in educational, student governmental, cultural, social / entertainment, healthcare and well-being, and recreational activities and opportunities. The Student Activity Fee is assessed per credit hour to lower and upper division, graduate level, and professional students. The Student Activity Fee was last increased for FY2006 with the per credit hour fee changing from $5.15 to $5.95.

The University is requesting an increase to the Student Activity Fee of $1.50 per credit hour, increasing the total fee from $5.95 to $7.45 per credit hour effective Fall 2022.

The University is requesting an annual increase to the Student Activity Fee of 0.5 percent each year for the following ten years.
